

Funder Feedback Cheat Sheet

As you review your grantee reports, you'll want to consider some key questions. Please see the table below for suggestions on where to focus your feedback.

Sections	Data Quality Questions
INVESTMENT	Is the investment type (Incremental, Significant, Foundational) appropriate for the partnership and investment level?
OVERVIEW	Is the date range and report stage consistent with the grant agreement?
INTERVENTION	Does the core service represent the program?
BENEFICIARIES	Are all program locations / key markets represented?
	Do the selected demographics include populations required for the grant (e.g., veterans)
OUTCOMES	Are the most relevant social impacts selected?
	Are the measurement levels (Measured, Estimated, Guess) appropriate?
	Cost per outcome check – Budget / Number achieve Social Impact.
BUDGET	Should include total program budget, not just grant
NARRATIVES	Success Story a potential case study?
